And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

## MUNICIPAL ACT

## Public Hearing on Proposed Zoning By-law Amendments

NOTICE is hereby given that a public hearing will be held on Monday, January 14, 1980, commencing at 7 p.m., in the Council Chamber of the Municipal Hall, located at the intersection of Stave Lake Street and Dewdney Trunk Road, with respect to the following:

## A. Proposed Amendments to Zoning By-law 91 (1971)

1. By-law 810—proposes to rezone property legally described as Lot 28, northeast quarter of Section 29, Township 17, Plan 42482, NWD, from RS-3, One Family Rural Residential to RS-2, One Family Suburban Residential. The property is located at 8470 Fairbanks Street.

The purpose of the rezoning is to facilitate subdivision of the said property.

2. By-law 811—proposes to rezone property legally described as Lot 7, northwest quarter of Section 33, Township 17, Plan 32330, NWD, from RS-3, One Family Rural Residential to RS-2, One Family Suburban Residential. The property is located at 32981 Dewdney Trunk Road, approximately one block east of Cedar Valley School. The purpose of the rezoning is to facilitate subdivision of the said property.

3. By-law 812—proposes to rezone property legally described as Lot 8 of Legal Subdivision 4, Section 16, Township 18, Plan 43589, NWD, from A-2, Upland Agriculture to M-4, Industrial Resource Use. The property is a vacant parcel located at the southerly end of Larsen Street.

The purpose of the rezoning is to facilitate the development and operation of a gravel pit facility as permitted within an "M-4" zoning designation, and as prescribed within the terms and conditions of a Soil Removal Permit.

4. By-law 813—proposes to rezone properties legally described as Legal Subdivision 15, Section 16, Township 18, NWD, and remainder of the southeast quarter of Section 21, Township 18, except Plans 3533, 24130, 36838, 37965, and except By-law Filed 49591, NWD, from A-3, Extensive Agriculture to A-2, Upland Agriculture. The properties are vacant parcels located contiguous to Campbell Avenue, south of Johnson Street.

The purpose of the rezoning is to facilitate subdivision of the said properties into approximate 10-acre parcels.

5. By-law 814—proposes to rezone a portion of properties legally described as Parcel G, Reference Plan 2160A, northwest quarter of Section 19, Township 17, NWD, and Parcel 1, Explanatory Plan 5456, southwest quarter of Section 19, Township 17 (except that part coloured green on Exp. Plan 5456 and except part on Ref. Plan 5719 and part on Plan 4897), NWD. The said portion to be rezoned is outlined on a sketch attached to the by-law and is to be designated as CS-1, Service Commercial. The properties are vacant parcels located at the northeast corner of Loughheed Highway and Nelson Street.

The purpose of the rezoning is to change the current zoning designation of that portion of the said properties from "A-1, Small Holding Agriculture and Land Use Contract No. 89" to "CS-1" so as to facilitate the development of a restaurant and banquet hall.

6. By-law 815—proposes to designate all that area within or upon Hatzic Lake, contiguous to the easterly boundary of the District of Mission and bordering the west boundary of Hatzic Lake to P-1, Civic Institutional (see sketch attached to the by-law).

The purpose of the rezoning is to correct an omission on the Zoning Map, which forms part of Zoning By-law 91 (1971), and to assign a zoning designation to the said area.

## B. Amendments to Proposed (Metric) Zoning By-law 648 (1978)

1. By-law 816—proposes to amend section 401 (4) (a) of By-law 648 (1978) by deleting the complete text therein and by adding the following:

"Notwithstanding any other regulation of this by-law, no buildings or any other part thereof (other than farm buildings excluding dwelling units; and those buildings protected by a dyke recognized by the Ministry of Environment within an Established Urban Area, URB-1, or Developing Industrial Area, IND-1, at the time the Official Regional Plan, approved 66 8 29, was enacted) shall be constructed, reconstructed, moved, or extended, nor shall any mobile home or unit, modular home or structure be located".

The forementioned proposes a minor wording change in accordance with the requirements of the Ministry of Environment.

2. By-law 817—proposes to effect corrections to "Drawing No. P-1", which is attached to and forms part of Zoning By-law 648 (1978), so that the said zoning map will correctly reflect the proper zoning designation for various properties or areas that were previously amended under Zoning By-law 91 (1971).

The purpose of these changes is to facilitate the approval of the proposed by-law by the Provincial Government so that the new metric zoning by-law (No. 648) may be considered for adoption by Council.

The proposed zoning amendments may be examined at the District of Mission Offices, 8645 Stave Lake Street, Mission, B.C., from Monday to Friday, between the hours of 9 a.m. and 5 p.m.

All persons who deem their interests to be affected will be afforded an opportunity to be heard at the public hearing.

Fee and rental for Parcels 8238–8343 (incl.): Fee \$100; rent, \$5 per hectare.

\* Lease term, 5 years.

Whole gas spacing areas may not be split by any lease selection except in the case of an oil discovery on a drilling reservation, or where the units which may be earned dictate otherwise.

Separate tenders enclosed in sealed envelopes marked "Tender for Parcel" must be submitted.

Each tender must be submitted showing the correct names of bidders and covered by an accepted cheque, bank draft, or money order made payable to the Minister of Finance, in an amount to cover fee, rental, and bonus. It is requested that instructions be given for returning of cheques, bank drafts, or money orders covering unsuccessful bids. Cheques submitted for bonus bids should be in amounts directly related to any combination of bids being offered so as to minimize any overpayment. Issue of cheques for a refund of any amount not required is the responsibility of the Ministry of Finance and some delay in the issue of the refund cheques can be expected.

Anyone may ask that, if an offer on one or more parcels is not accepted, it be considered on another parcel or parcels, provided the intent and order of choice is clearly stated, and the amount of the remittance is sufficient to satisfy the fee, rental, and bonus on the further choice.

Tenders involving slide bonus offers must only include parcels of a like kind, i.e., all permit or all lease or all drilling reservation. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.

Dated at Victoria, B.C., on January 4, 1980.
